New Email Newsletters

Do you feel out of the loop? Do you want the low-down on all the great events hosted by SLC Events and all the Gallivan Center events? Get the news first with the SLC Events newsletter.

As you can see, we've changed how our Email Newsletters work, making it easier to subscribe, unsubscribe (but why would you want to?), and easier for us to get all the latest information and specials out. As a subscriber, you'll get the first news of concerts, movies, special events and ice rink discounts.

You're obviously part of the list already, so don't forget to forward this to a friend using the link at the bottom of this email or check your subscription to see if you're getting information for both SLC Events and Gallivan Center events (we'll only be sending joint messages on occasion).
